

Aladdin
EVENT CENTER

*Make your dreams
come true...*

*M*ost likely you've been dreaming of your perfect wedding day longer than you've been engaged. This is the day you'll declare to the world and to one another that your commitment is for a lifetime, and that it's bigger than both of you. Such a special occasion should be as memorable as the path that led you here, and as beautiful as your love for one another. The Aladdin Shrine Event Center wants to provide you with the perfect location to exchange your vows and celebrate this incredibly special moment with family and friends.

About our venue

*L*ocated just off of I-71 in Grove City, Ohio, with several quality hotels close by, the Aladdin Shrine Event Center can accommodate up to 250 guests in our beautiful Grand Ballroom. We also feature a large Gallery, dedicated Bridal Suite, separate Groom's Room, and a private outdoor patio that leads to a lush, spacious lawn. On that tree-lined lawn, a short pathway takes you to our pretty gazebo that is perfect for

your wedding ceremony. All of this stunning space is yours to use from as early as 8 am until as late as 11 pm. We host only one event per day to ensure that you don't feel rushed or hurried in any way.

Your rental will include tables and chairs set in your desired floorplan, elegant lighted ceiling draping and chandelier in the Grand Ballroom, built-in dance floor, LED wall lighting in your choice of color, bistro lighting on the Patio, and over 200 free parking spaces.

We would love to show you our beautiful and spacious facility in person. To schedule a tour, get in touch with us!

Our spacious and elegant Grand Ballroom can comfortably seat up to 250 guests for dinner. The large elevated stage at the far end of the room serves as the perfect spot for your head table or your live band or DJ. Directly in front of the stage, overhead LED lights sparkle down on our roomy built-in dance floor. Choose any color your heart desires to illuminate the walls with our splash lighting, turn on the central chandelier and the fairy lights in the ceiling drapes, then dim the overhead lights and you've set the perfect joyous mood for your celebration.

The Grand Ballroom

Amenities include:

- Bridal Suite with tall mirrors, 4 sinks, and private bath
- Dedicated Groom's Room
- Convenient shower room
- Architecturally designed ceilings for perfect acoustics
- Relaxed and classic elegance
- Full-service catering kitchen

Once you pass through our front doors, you will enter into our lavish Gallery on your way to the Grand Ballroom on the left. This versatile space is perfect for a cocktail hour, buffet set-up, lounge area, or as the location of your indoor ceremony. If you're planning for an outdoor wedding at our gazebo, the Gallery can also serve as your back-up should the weather not cooperate. A smooth transition of outdoor to indoor ceremony means the wedding couple doesn't miss a beat.

The Gallery

At the far end, the Gallery features a working fireplace and flat screen TV. On either side of it is a set of doors that lead to our expansive patio, beautifully landscaped lawn, and inviting gazebo. A stunning crystal chandelier light hangs in the center of the space. All lights in this space are dimmable, allowing you to achieve the perfect atmosphere.

Outside of the Gallery is our expansive private patio with a built-in fireplace, romantic floral accents, and an enchanting gazebo — the perfect spot for exchanging vows. The setting is secluded by the impressive wooded area that lies behind the gazebo. The partially covered patio, measuring an impressive 134'x35', is accented by bistro lights gracefully strung overhead in the space between the columns and the rose bushes. Both the patio and the gazebo have built-in sound, perfect for keeping your guests entertained with music or making announcements.

The Patio & Gazebo

Perfectly positioned in a secluded area off the Grand Ballroom, our Bridal Suite is equipped a full-length mirror, a 4-sink vanity with stools, a wall-mounted TV, and a private bathroom. Many brides have fallen in love with this space and many hairdressers, make-up artists, moms, and sisters have worked their magic here.

The Bridal Suite

Because the groom and his groomsmen need their own private space as well, our Oak Room (a.k.a. the Groom's Room) is also ideally located just outside the Grand Ballroom, far enough, but not too far, from the Bridal Suite. It is equipped with a wall-mounted TV and comfortable seating.

“The outdoor space is gorgeous...”

...with a concrete aisle so your heels aren't in the ground or dress dragging on the grass! The ballroom is perfect for a wedding, and even the bridal suite and bathrooms are top notch and somehow the venue is still affordable! So happy we choose this venue for our September wedding.” ~ Amber

D'Attoma Studi

“My wedding at the Aladdin Shrine this past September was breathtaking and everything I could ever imagine! It is truly a beautiful venue with an indoor ballroom that was perfect for hosting my reception.

There is really something magical about the Aladdin Shrine!”
