We also feature a large Gallery, two smaller event spaces that hold 50 to 60 guests, and a large private outdoor patio that leads to a spacious lawn and beautiful gazebo. desired floorplan. The Grand Ballroom features elegant lighted ceiling draping and a gorgeous chandelier, a built-in dance floor and stage, two large drop-down projection screens and ceiling mounted projectors, available podiums, and a 70-volt surround-sound audio system with microphones. Our spacious Grand Ballroom can comfortably seat up to 250 guests for dinner or 300 guests in theatre-style seating. The large elevated stage at the far end of the room can be used for presenters, speaker tables, live entertainment, or hidden by floor-to-stage curtains if it isn't needed. Directly in front of the stage is a 24' x 24' built-in dance floor. This huge room can even be split into three sections by built-in, floor-to-ceiling, soundproof divider walls. The East and West sections can be rented individually, or all three sections can be used for convention break-out rooms.

The Grand Ballroom

Amenities include:

- Built-in dance floor
- Large elevated stage
- 70-volt surround sound audio system
- Two large drop-down projection screens
- Two ceiling-mounted projectors
- Podium and microphones

Once you pass through our front doors, you will enter into our lavish Gallery on your way to the Grand Ballroom on the left. This versatile space is perfect for a cocktail hour, buffet set-up, lounge area, registration tables, and vendor booths. Our catering kitchen is just through the doorway on the right, making it convenient for caterers who will be setting up buffet or appetizer tables. If you opt for bar service, this can also be placed in the spacious Gallery, leaving more room for your guests inside the Ballroom.

The Gallery

At the far end, the Gallery features a working fireplace and flat screen TV. On either side of it is a set of doors that lead to our expansive patio, beautifully landscaped lawn, and inviting gazebo. A stunning crystal chandelier hangs in the center of the space. All lights in this space are dimmable, allowing you to achieve the perfect atmosphere.

Outside the Gallery is our expansive private patio with a built-in fireplace, massive lawn, and an enchanting gazebo. The setting is secluded by a lush wooded area that lies behind the gazebo. Late April through October you'll find bistro lights gracefully strung overhead in the space between the columns and the rose bushes. With the patio alone measuring an impressive 134'x35', our outdoor space is the perfect place for socializing and games. Both the patio and the gazebo have built-in sound, perfect for keeping your guests entertained with music or making announcements.

The Patio & Gazebo

*A*t 1,200 square feet, the Aladdin Room is perfect for business or board meetings, smaller parties or showers, and classroom instruction. It can hold up to 64 banquet, 75 theatre, or 60 classroom guests. A long, built-in counter sets in an alcove area at the back of the room, perfect for food or instructional materials. At the front of the room is a drop-down projection screen, and four wall-mounted HDTVs are placed along the walls between. A building entrance just outside the room means your guests can enter directly to your event while other events might be happening in the rest of the building.

The Aladdin Room

Available amenities include:

- Drop-down projection screen
- Portable projector, podium, and sound
- Four high-definition televisions
- Long, built-in countertop
- Mini self-serve cooler for cold beverages
- Close to side building entrance

Though frequently used by our fraternal members for meetings and events, the Oasis Bar can occasionally be rented by external parties when not in use. With a full bar and bar seating, this room can seat up to 65 people. Five wall-mounted HDTVs are placed around the room, perfect for running a slideshow or for a game watch party. The Oasis is always set in banquet style and is unavailable for theater or classroom style seating. A fenced, private patio with picnic tables is directly accessible.

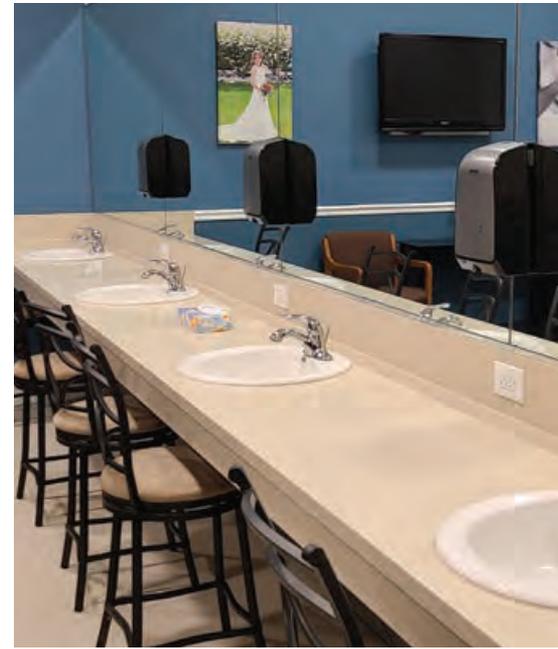

Oasis Bar

Perfectly positioned in a secluded area just off the Grand Ballroom, our Dressing Room is equipped with a full-length mirror, a four-sink vanity with seating, a wall-mounted HDTV, and a private bathroom. Because of its easy behind-the-curtain access to our stage, this space is great for costume changes and makeup applications for pageants, plays, or dance competitions.

The Dressing Room

Located across the hall from the Grand Ballroom is the Oak Room, an office-sized space that is ideal as a private one-on-one meeting room, or as an additional dressing room. It, too, has behind-the-curtain access to our stage. It is equipped with a full-length mirror, wall-mounted HDTV, and comfortable seating. A table and chairs can be added to turn it into a private meeting room.
